Welcome

Sediba Nkwe
"Waterhole of the Leopard"

Nestled into the dry and hot heart of the Limpopo Valley, you will find an oasis known as Sediba Nkwe. Join us at our beautiful lodge on the water's edge overlooking the untamed African bush. With over 25 species of game, breathtaking sunsets and the tranquillity of the African bush, you can't help but fall in love with this beautiful country we call home.

Our family-owned hunting ranch has been in operation since 2002 and we, Vossie and Dries Vorster will do everything in our power to ensure a safe and memorable hunt. Building personal relationships with all of our clients is the goal and we would be gratified to consider them friends after the hunt.

Our mission is to offer a fair chase hunt that is customizable and affordable. Whether it's your first hunting trip or your 10th trip to Africa, we will cater to your every need. So, grab your bow or rifle, and even the family, and let's make memories that will last a lifetime.
